Through it all we have remained the best of friends we have many happy memories most of them were miles we can't remember. For those ~~times~~ times are behind us and now we have to look ahead and go wondrous as it will be to get out of school it'll be hard as hell when we go our diff. different ways to college but we have plenty of time to do some hellious parting before then, I guess you'll be doing lots of driving to Waco, since you can afford the gas and your car will probably have a better chance of making it. You and I have spent lots of time together these last three years and I hope we can continue to do that. Through the remainder of our ~~lives~~ lives and may it be a long, long, long, friendships all the things we've done (leagal or not) we always got away with it. may you live a long and w-healthy life and get through all your problems with the girls and thank the lord for the shrimps (it's a tax write off) Darren your the best friend I have every had and will always remember the good times that's all there are.

A Colorful Year
of Memories

In Dedication: Coach Chuck Greene

Coach Greene — a teacher, a friend, a leader . . . one who teaches by instruction, demonstration, practice, and example . . .

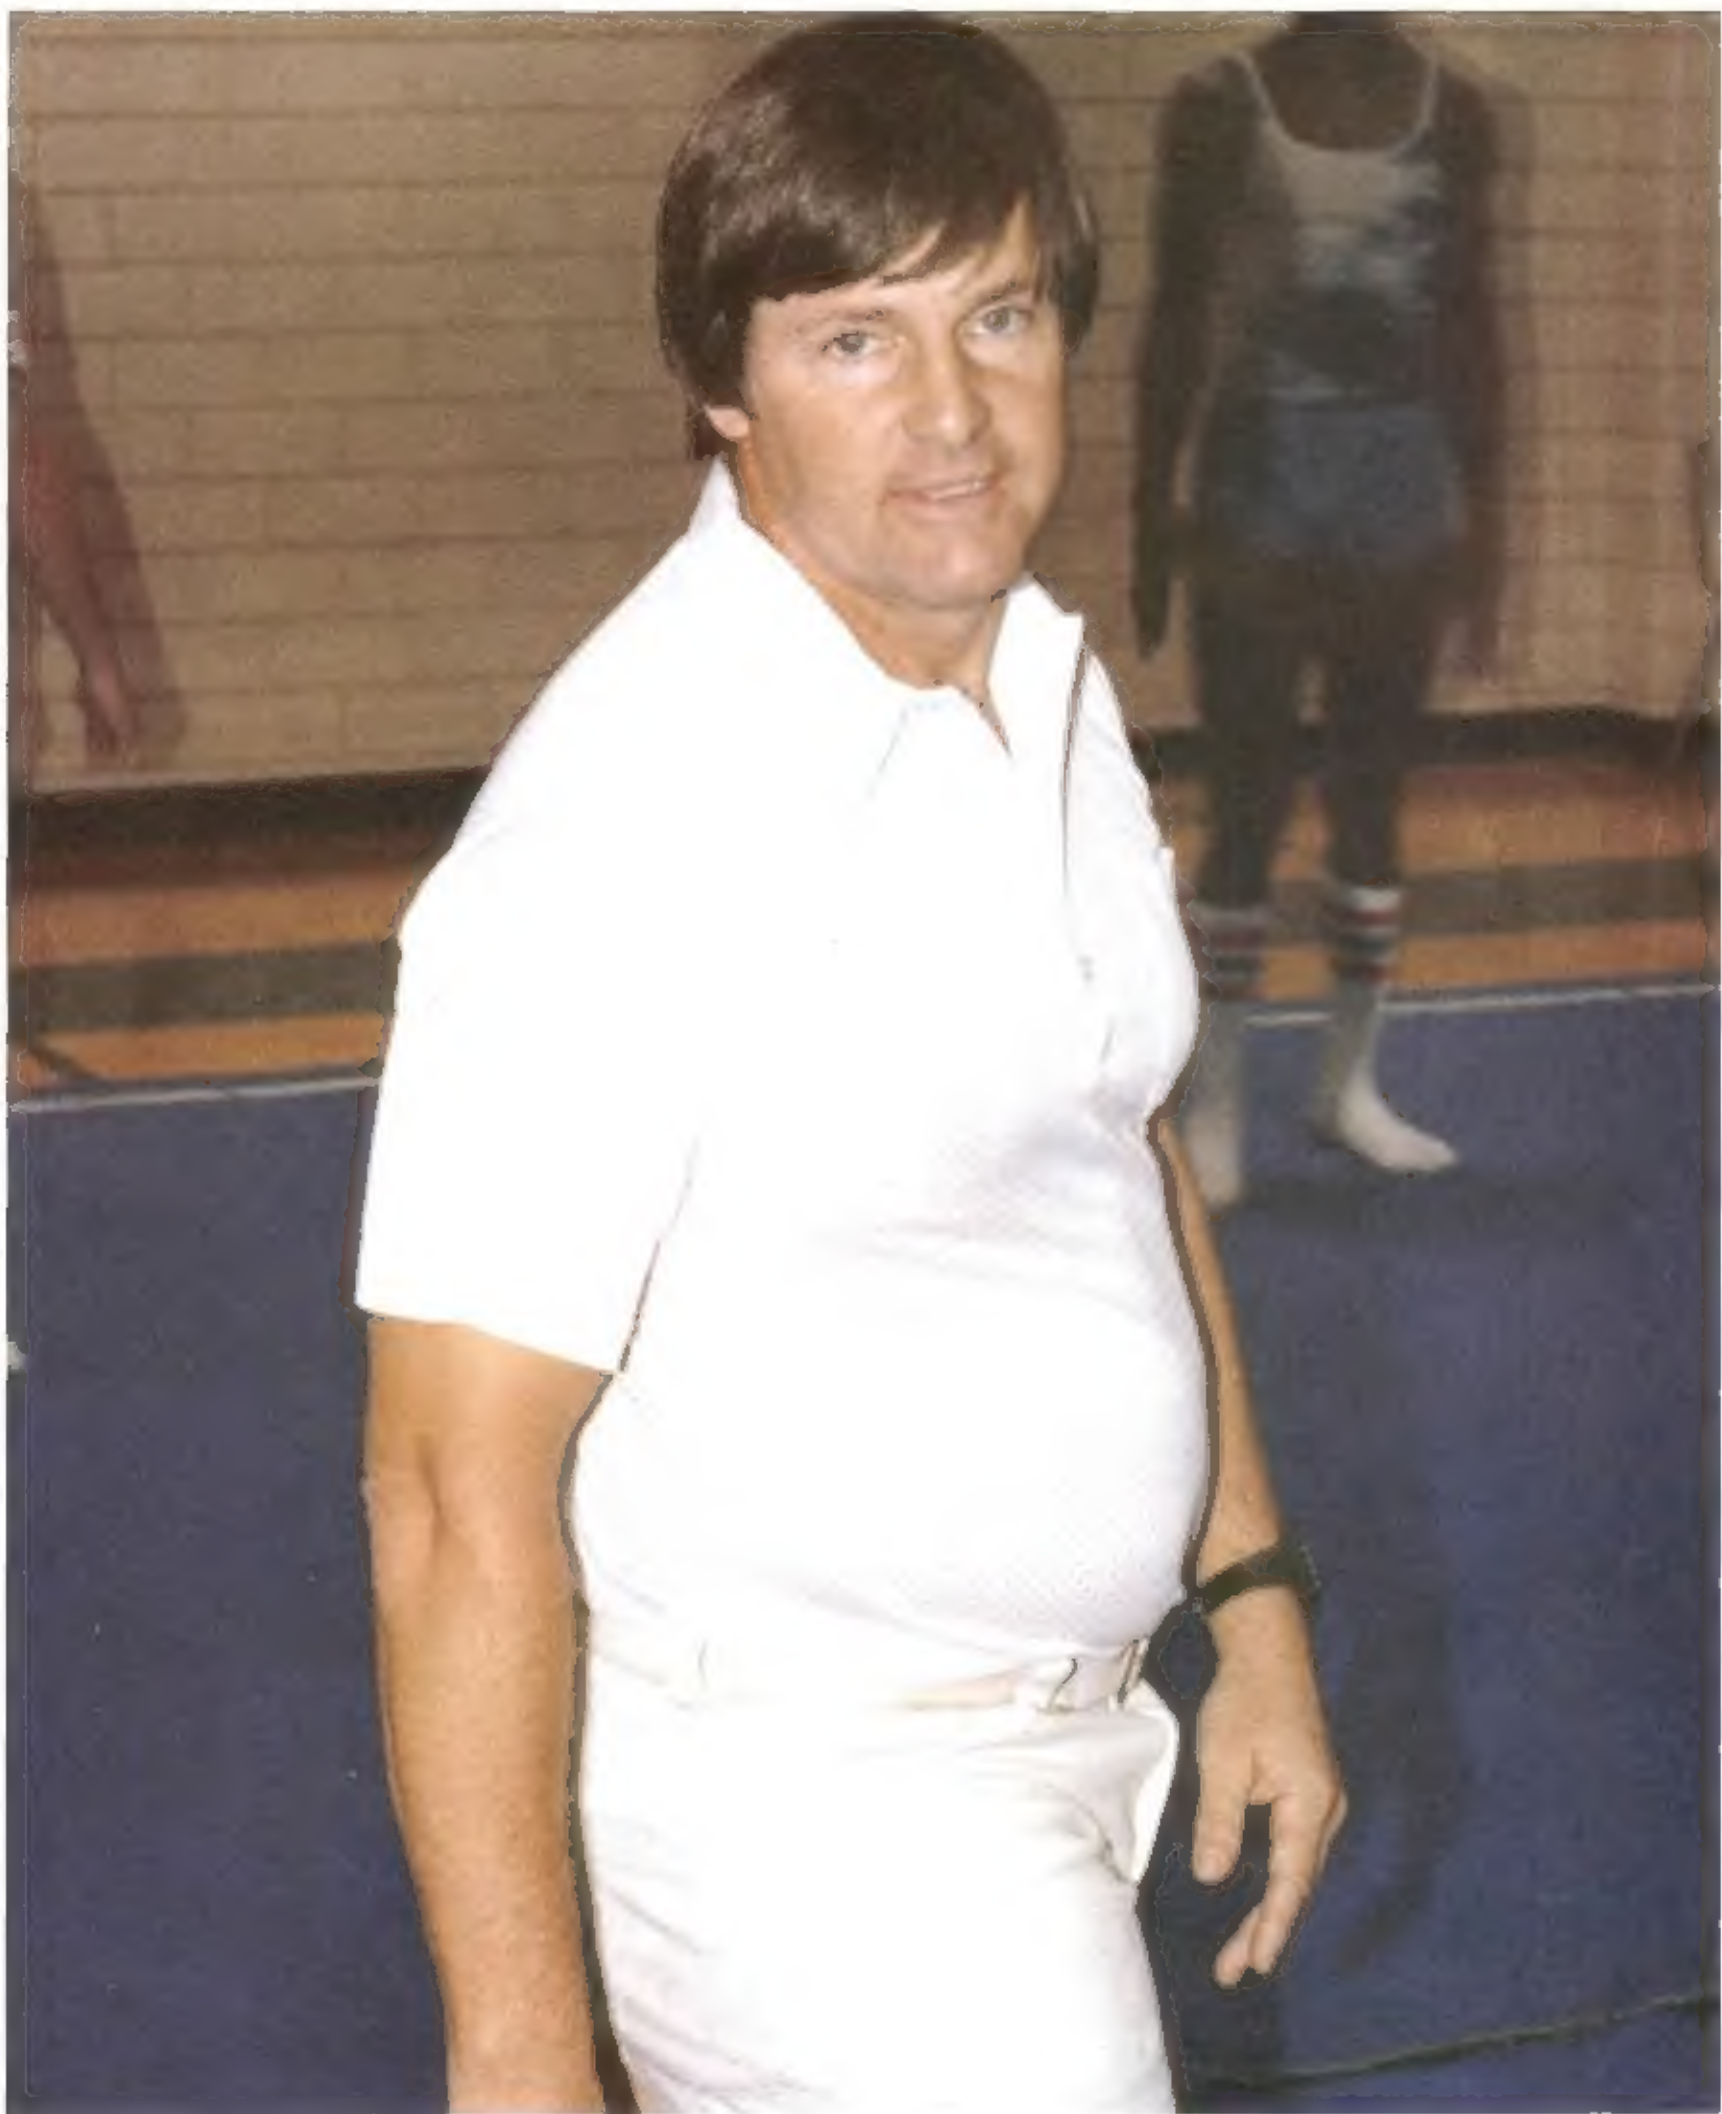

The 1980-81 edition of the Catamount, is dedicated with great pride, by the Catamount Staff, to Mr. Chuck Greene.

For the past seven years, Coach Greene has been teaching here at Western Hills. As a coach of Gymnastics, Boys Soccer, and Physical Education, he leads a dedicated and busy life. He enjoys working with high school students because of the chance presented to touch so many different lives. He once said, "There are lots of rewarding things in my job. It is exciting to see how kids have grown up after four years, and to watch them develop into better athletes. It's nice to know that I've been a part of their life, and meant something to them."

Coach Green graduated from McMurrey College, in Abilene, with a Bachelor of Science in Physical Education. In the past, he has worked with the Boy Scouts, and he has also taught at Trinity Valley, McLean, Wedgewood, Leonard, and at a school in El Paso. Aside from teaching, Coach Greene likes to country and western dance, listen to Willie Nelson, go hunting, and shoot skeet.

Coach Greene is cooperative, friendly, and always willing to lend an ear when needed. He makes a point to learn names, and to make each individual student feel accepted and worthwhile. He has a "Big Heart," and is loved and respected by all.

**As we entered this year at Western Hills,
We shared moments filled with surprise.
Anticipating times of happiness,
With a glimmer in our eyes.**

**Our lives were a mixture
of sunshine
and rain.**

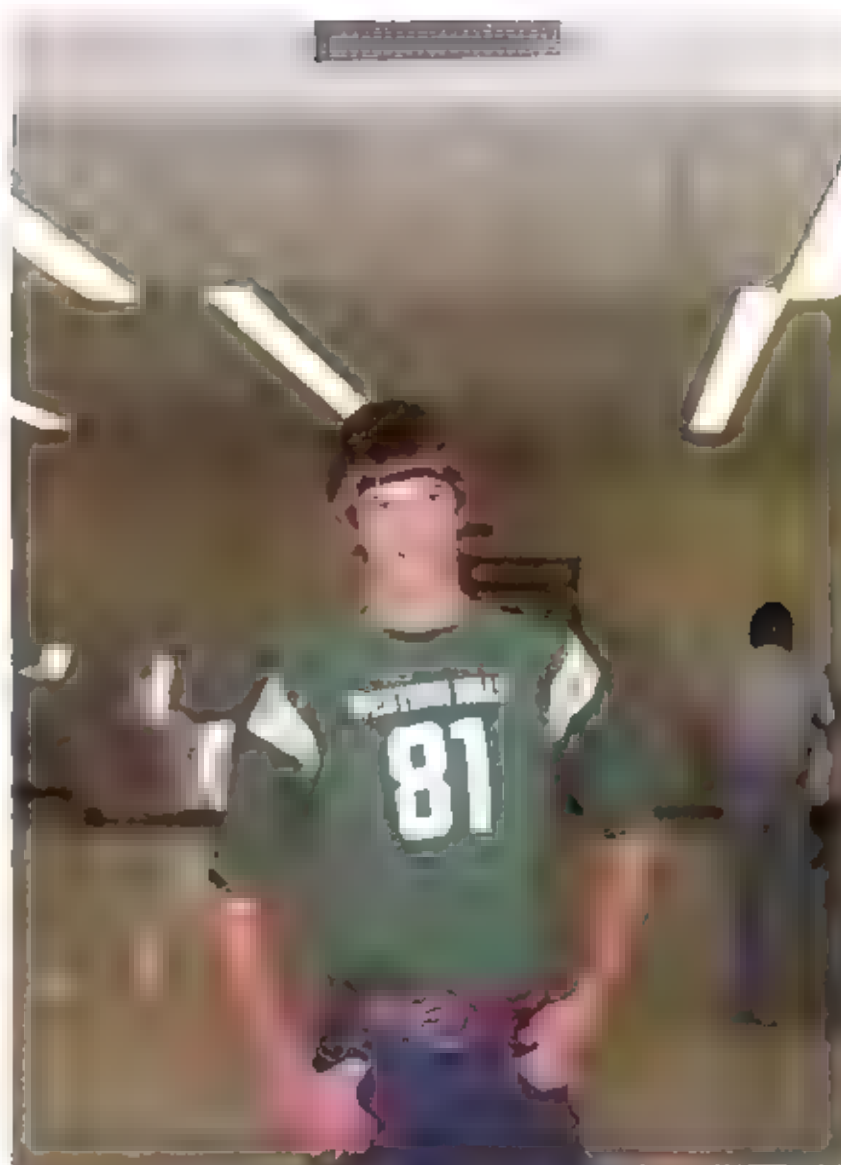

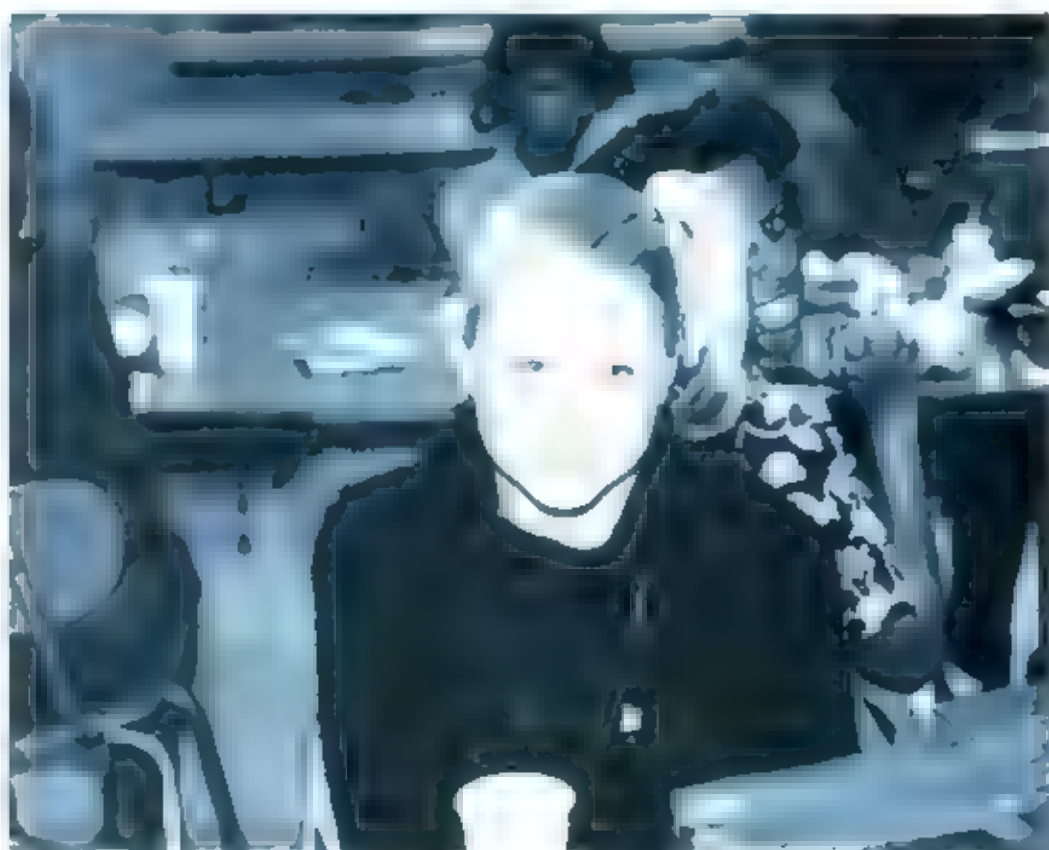

**laughter and teardrops,
pleasure
and pain . . .**

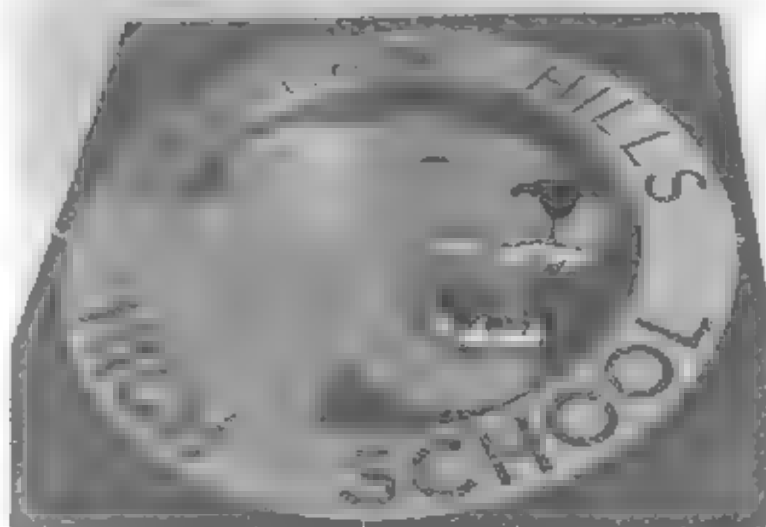

**Low tides and high tides,
mountains and plains,
triumphs, defeats,
and losses and gains.**

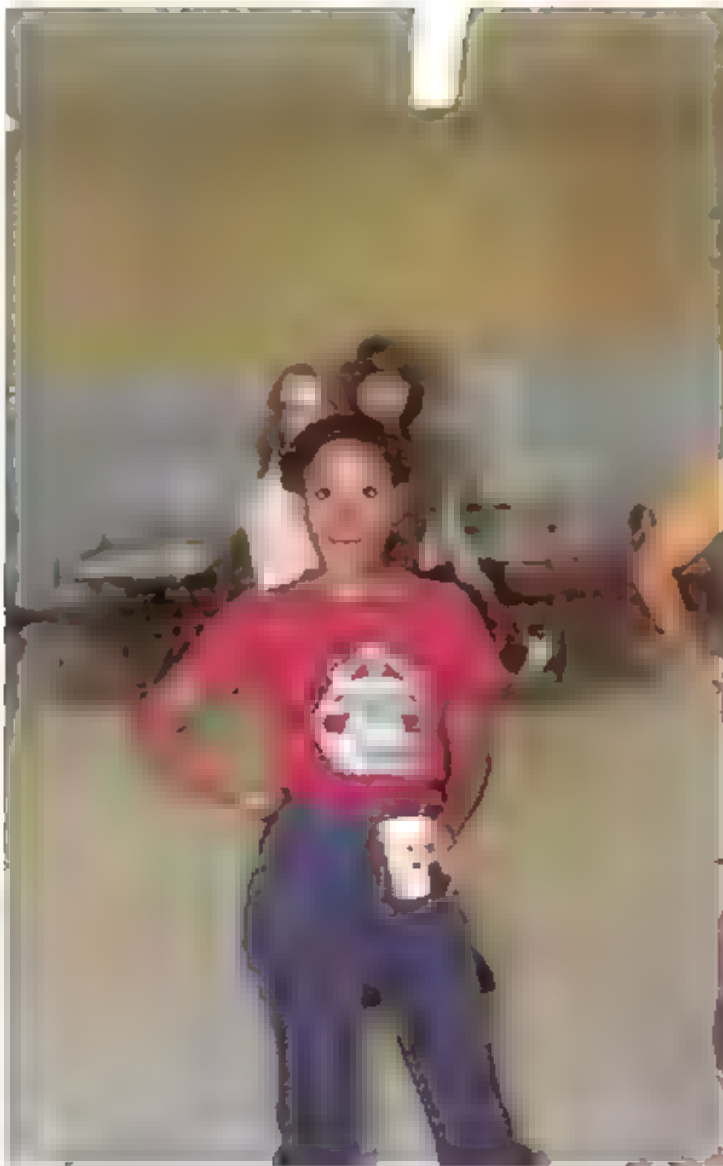

**We Cougars have something special . . .
our pride, our love,
our spirit, and our strength.**

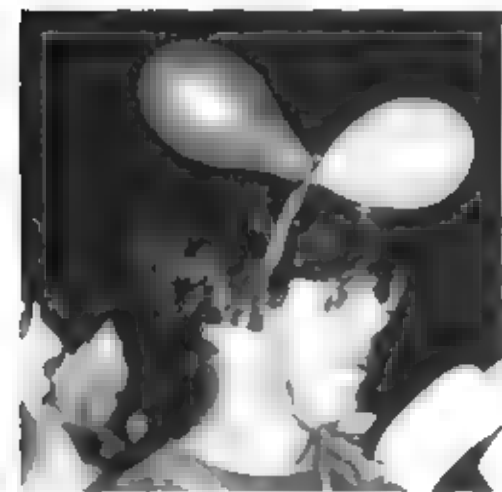

**Sailing toward tomorrow,
We are headed for our
dreams and goals.
And deep within are locked
all our cherished memories,
That will live through
the years untold.**

ACTIVITIES

Registration Brings in the New Year

Well, summer's nearly over and it's time to start thinking about school again . . . Registration began with Seniors and Freshmen on Monday, August 25 and Sophomores and Juniors registered Tuesday, the 26th. Students met in their homeroom after visiting with friends. As each homeroom was called, students went to the auditorium to pay ID and locker fees. ID pictures were made with the help of the annual staffers. Students then proceeded to the cafeteria and chose teachers and classes.

After enrolling in the required number of subjects, counselors approved the choices and the students were free to go.

Executive Board members of the Student Council sold tickets pre-sale for \$1.50 although anyone who failed to buy a ticket pre-sale had another chance to buy one at the door for \$2.00. Students had their fair share of ups and downs but everyone had a good time.

Howdy Week Becomes Tradition

Posters designate weeks activities.

September 2, 1980, marked the first day of a new and vast experience for some 509 students just starting their freshman year of high school. Most seemed to be terrified and confused of what was expected from them. To make things easier and help students get better acquainted with a new school and new people, the Student Council sponsored Howdy week. This was a week where special activities were planned and assigned to a different day of that week. All students were encouraged to participate. The first day back was Freshman Appreciation Day, Wednesday was Overall Spirit Day, Thursday was Green and Gold Day, which also marked the first football game. Friday, Western Day, put the finishing touches on a perfect week.

Cougars Go Commercial

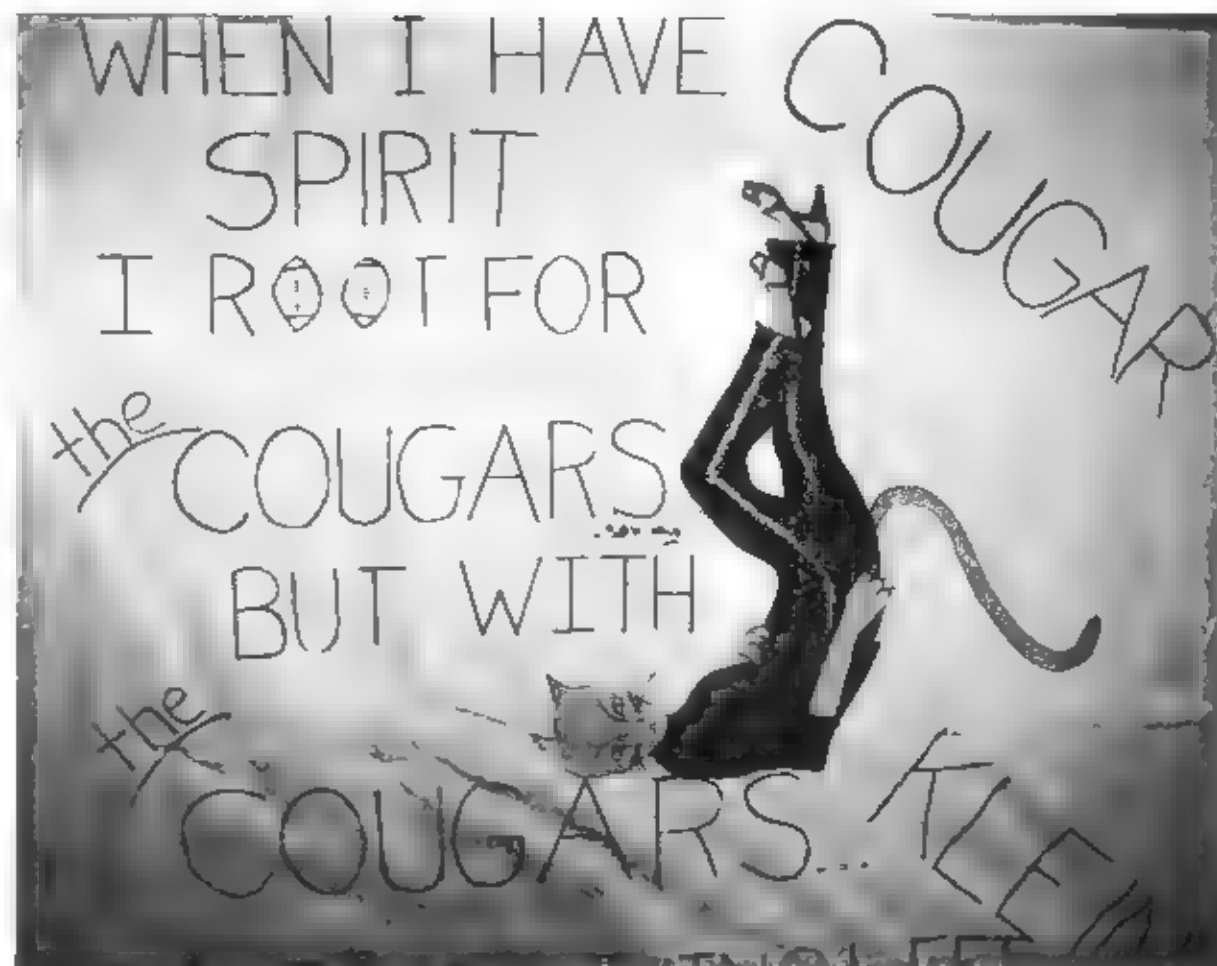

Jeannie Dixon adds final touches to wall decorations.

"Who me?," exclaims Toni Eck.

On October 17, 1980, Western Hills halls were arrayed with all types of homecoming decorations. The theme for the halls this year was "Cougars Go Commercial." All types of organizations were asked to participate in decorating a wall and prizes were given to the best ones. The French Club received a first prize of \$25, the Senior class, a prize of \$15, and the Science Club, a prize of \$10.

In honor of the past graduate classes, a reception was held in the school library, where senior steering committee members served punch and sandwiches to the honored guests. All graduates were asked to stay and participate with the student body in the homecoming pep rally to cheer the Cougars on to victory.

Goblins, clowns, belly dancers, and disguises of all kinds invaded the halls of W.H.S. on the eerie day of October 31, 1980. The Student Council made this year's Halloween seem a bit more interesting by sponsoring a dress up day. The Student Body was encouraged to participate to make the day a complete success. A contest was held in the school cafeteria for the best costume, and winners were announced during the pep rally. First place went to Kevin Frelove alias Steve Martin, for his clever outfit.

'81 graduates show they're the best.

Balloons drifted far into the depths of the night never to be seen again. The shouts and screams of the class of '81 echoed through the stadium, as they cheered their mighty Cougars on to victory. This was the last game of the season. A pep rally was held in the school auditorium with Jeanie Dixon hosting a slide show of the year's previous events. The last game was played at Farrington Field with the opposing team being the Trimble Tech Bulldogs. After a suspenseful and triumphant game, the Cougars won with a score of 19-14. With only a few seconds remaining in the final quarter, the senior class proceeded to go on to the field to congratulate the well deserved players. To bring the exciting and eventful evening to a close, all joined in the singing of the alma mater.

For the seniors, 1981 has been an eventful and enjoyable year. Many special activities were planned, such as the Senior picnic, olympics, a special night at Six Flags, and the Senior Prom. All of which helped make the final year one to remember.

Each Senior homeroom elected two representatives to the Senior Steering committee. The Senior Steering committee was in charge of getting the Seniors Involved, in order to help better their last year. One of the activities was the Christmas dance. The dance was held at the Elks Club Lodge on December 19, from 8-12 p.m.

The path seemed long when we first came to Western Hills, but time has made it more narrow and now the end is in sight. Although much has been done and more lies ahead, it seems worth it all to look back and remember both the good and bad. We are all anxiously awaiting graduation when we will receive our diploma . . . A piece of paper that will symbolize our years of achievement. Soon we will be scattered never to meet again as a class, but the memories we hold in our hearts will remain forever.

Drama Department Presents "Harvey"

"Harvey" by Mary Chase was presented Thursday, November 20th, and Friday the 21st. The Western Hills Theater Arts Department presented the play in the school auditorium. Songs such as "Mary Had a Baby," "Winter Wonderland," "Strangers in Bethlehem," and "The Jesus Gift" were performed. The dance was held from 8:00 to 12:00 p.m. at the Elks Lodge on December 19. Tickets were sold presale at \$6.00 a couple. The group "Motion" performed at the dance, as the student body preferred a band to a disc jockey. The group played a variety of songs but mainly stuck to the "New Wave" beat. Students enjoyed refreshments during breaks and between dances. This year's Christmas Dance was another successful event.

50's Nostalgia Brought to Hills

The days of the 1950's were relived at Western Hills. On February 24, students came dressed in the styles that were popular during the time. Girls dressed in poodle skirts and rolled up jeans, bobby socks and penny loafers. The guys could be found with hair greased back into a ducktail, white T-shirts, and leather jackets. The Student Council sponsored the day and encouraged all students to participate.

Western Hills Supports Blood Drive

Western Hills held the annual blood drive on March 4 for the Carter Blood Center. Students seventeen years old or older and weighing at least 110 pounds were eligible to donate. Nurse Frances Lipscomb supplied information sheets and signed up interested students. Representatives from CBC set up beds in the auditorium and supervised the donating, which lasted most of the day. The blood donated was put in a Western Hills High School account to be used by the students, their families, and the faculty.

Students Give to Bonnie Brae

Students of Bonnie Brae enjoy their new playground equipment bought by Western Hills' contribution

The Student Council joined with the student body for the Christmas project. For a week and a half, Western Hills students, led by the Christmas committee, collected money for Bonnie Brae, a school for mentally and physically handicapped children. Money was collected each day and competition between the classes was used as an incentive. After the final counting was over, the grand total was \$3389.01, with the Junior class winning the class competition. The money collected was used to purchase additional playground equipment to compliment the equipment bought with last year's Christmas donation. The Student Council was invited to visit the Bonnie Brae school during the spring, with students from both schools enjoying the visit

That's Entertainment? was the theme for the 1980-81 Cougar Capers. Day performances were presented during 2nd period on Thursday January 30, and Friday January 31. The evening performance was given at 7:00 Friday January 30. Admission was \$1.00 for the day and \$2.00 for the night performance. Masters of Ceremonies, Brett Chandler, Donna Crear, and Susan Lynch helped to introduce the talent, and entertain the audience between acts. "Steve Martin" alias Kevin Free-love made an unexpected appearance and amused the audience with his stand up comedy routine. A wide variety of talent was performed in both acts and all seemed to enjoy the presentation.

"Let Me Entertain YOU" was the first act on the agenda. It was a dance routine performed by the Senior girls. World Champion skater Kenny Weeks thrilled the audience with his usual disco skate dance routine. Page Egoli sang "The Way We Were" followed by the Junior girls and their comedy dance entitled "Splish Splash." The group "Midnight Blue" sang "Killing Me Softly" and "Can You Read My Mind." The Band "Country Culprits" was next and they sang a few country and western songs. Following them was Darbi Hubbard who sang and played the song "Lead Me On." An astounding magic act by Duane Lewis and Company concluded the first Act.

After a brief intermission the show continued with an opening by the band "Live Wire." Next Lee Anderson sang "One In A Million." Martha Parshall followed with a tap dance to "The Bill Robinson." Bill Murray and Wendi Whitehead sang "The Boxer" and "The Rose" in perfect harmony. "Mixed Media" performed next followed by a native dance from Thailand by Chada Amrapala and Napaporn Jinuntuya. Following, a moving performance by Kim Elliot singing "I'll Never Love This Way Again" which earned her a standing ovation during the day performance. For the grand finale, the Junior girls gave their impression of the rivalry between Hills and Heights.

Jimmy Heath and Mike Courchesne captivate the audience in "Live Wire."

Martha Parshall amazes the audience with her tap dance routine to "The Bill Robinson."

THOUGHTS OF GRADUATION

It's graduation and I can't believe that I'm here! My name will be announced in a few minutes and I will walk across the stage to be greeted by Mr. Fulton and receive my diploma . . .

Where do I go from here? I've always had the security of my daily high school schedule and its activities. I've always been surrounded by the friends that I've grown to love and appreciate. Now we will all be going our separate ways, and I wonder how long it will be before the memories we've shared will begin to fade.

Remember pep rallies, howdy dances, baseball games, football games, and Homecoming.

Remember the roar of the crowd, and the air that was filled with excitement.

You would think that after four years of this, I would be ready to move on, but instead, I feel as if I am leaving a part of me behind . . .

Well, soon they will call my name and high school will come to an end. In a way, I guess my life is just beginning. Good-bye fellow classmates, friends, and teachers maybe the unknown days of tomorrow will bring our lives together again.

It Was Not Just Another Year

It was fun, exciting, full of trips and new friends, and most of all, a wonderful learning experience for us all.

Miss D. Light

I have met new friends and cherished the old.

Lisa Marchbanks

It was not just another year because I have a home-room full of neat Seniors that I've learned to cherish. The greatest people in town are students at W.H.H.S.

— Mrs. J. Sain

This year brought a lot of happiness that I'll never forget. It will leave memories of what I consider the best, WHHS.

— Steve Wise

As Seniors, we have been faced with much responsibility and have had to make many decisions that may last a lifetime. This is an extremely important year.

— J.W.

The 1980-81 school year brought many new and exciting challenges to students at Western Hills High School. The presidential election was a major topic and was discussed and debated in the classrooms and halls. Many students became politically involved in supporting their candidate, and political rallies were held in the Government classes. On November 4, Ronald Reagan defeated President Jimmy Carter, and on January 20, he was inaugurated as the new President of the United States. Other major headlines included the shocking death of John Lennon, the tragic fire that destroyed the MGM hotel in Las Vegas, and the prolonging crisis in Iran.

National events became somewhat clouded as the classes, people, and activities at WHHS began to take precedence over our lives. Western wear and the preppy look found its place at Western Hills as the new styles of the 80's. Dancing to the music of Kenny Rogers or Journey, dressing up in bazaar outfits for dress-up days, watching our astonishing football victory over Tremble Tech, trying to stay afoot on ice at ice skating parties, and trying to solve the big mystery of the year, "Who shot J.R.?" from the popular television series, *Dallas*, will be topics of conversation ten years from now. What we did was usually more important to us than any news reported, because we were the ones who were making "headlines."

As the year concluded, our thoughts began to reach out toward new involvements, continuing education for the underclassmen; seniors looked forward to college, some to careers, and some to marriage and family; but, each remembering the influence and impact that Western Hills High School had contributed to his life.

FACULTY

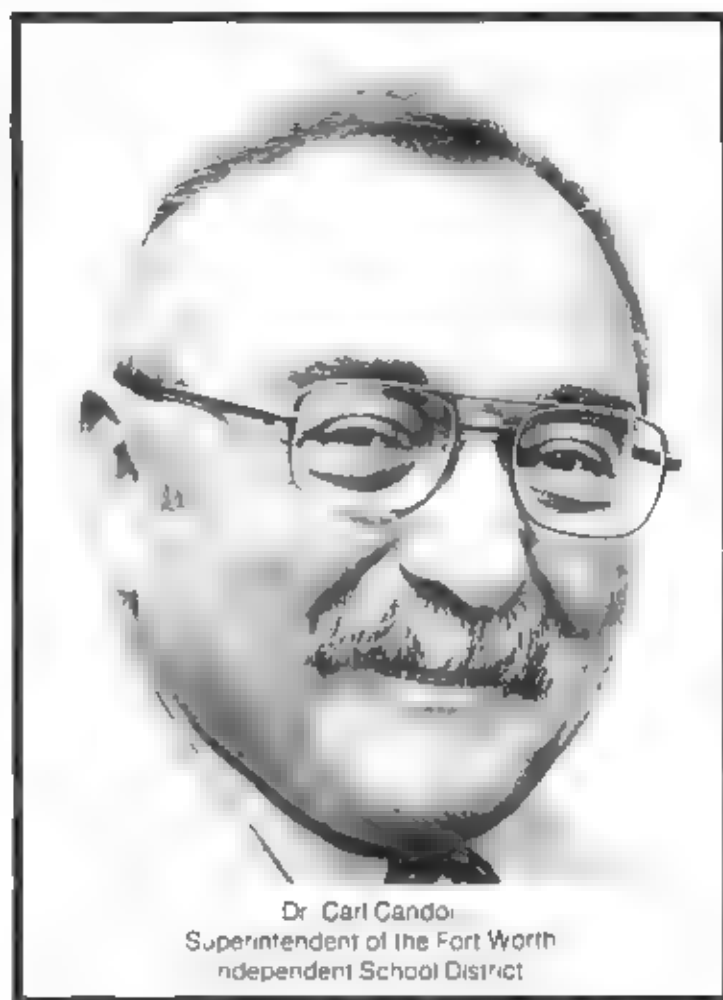

BOARD OF ED.

Candoli Makes Changes

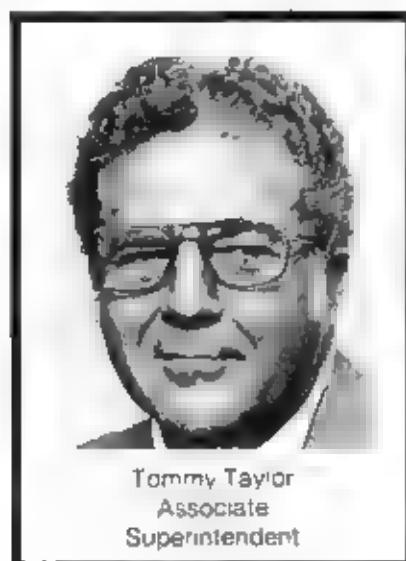

With the beginning of the 1980-81 school year, Dr. Carl Candoli took the position of Superintendent of the Fort Worth Independent School District. Both Superintendent Candoli and the local school leaders, exhibited energy throughout the school year to make it both enjoyable and productive for all. Each one strived to enact rules that will benefit every student in the Fort Worth system. They considered and enforced school policy. Whether the regulation is popular or not, each official has shown a responsibility and respect for their duties which we all can admire.

Counselors — Ready Friends

COUNSELORS

The counselors were (L to R) Ms. Dowler, Ms. Bullis, Ms. Cheek, and Ms. Curley.

Ms. Dowler looks up the phone number for Dial-a-Date.

The goal for this year's counseling staff was to lead each student in reaching their highest level of excellence, whether it be academic, vocational, or simply living skills. Ms. Curley voiced the hope of all the counselors ... "We as counselors and friends of W.H.S. students want to always be a refuge for those students who may have questions or problems." Students were divided amongst the counselors alphabetically, rather than in grade levels, as it had been done in the past. This gave the staff a chance to get to know a variety of students.

Mr. Fulton takes a moment to do a little reading.

A desire to help each student at Western Hills High School to become a happier and more useful citizen was the aim of Principal Quince Fulton, Vice-Principals Ms. Thelma Cole, Mr. James Ingram, and Mr. Richard Berg. They offered understanding and concern to all who sought aid, and to all who needed counsel in school relationships.

Often during the day the office is filled with people needing advice or assistance in various matters. Ms. Bessie Thomas along with Ms. Shirley Parks and Ms. Madge Prince did their best to accommodate these students. Ms. Gladys Wallace and Ms. Sally Carter kept the attendance records straight. Ms. Liz Bobbit had control over study hall and Nurse Francis Lipscomb helped keep the students in good health. Again this year Mr. James "Rev" Williams was our school monitor. Without the ever ready guidance of our school administrators, our school could not function as it does.

English is a required subject that takes much concentration and effort. The English Department emphasized a wide range of topics, including the studies of great authors and their works, American and English history, famous plays, and the correct use of grammar.

Four units of English are required for graduation. Freshmen ventured into English I and II with anticipation; Sophomores taking English III and IV prepared for term themes that await them in their Junior and Senior classes. Senior Grammar was offered to help prepare college-bound seniors for future studies in college English.

Ms. Watters checks role in her fifth period class

History is both a record and explanation of past events. The History department of W.H.H.S stressed the importance of the past through their World History and American History courses. Students taking World History learned of events and happenings that have taken place from B.C. to World War II, in foreign countries as well as the United States. American History involves interpreting past events from America's beginnings and relating them to the present. The Government classes offered Seniors preparation for their responsibilities to their community.

Group research and reporting, tapes and films, tours and guest speakers, stood hand-in-hand with the documented classics and textbooks, to reveal a vibrant and living story. The W.H.H.S. History department tried to relate present conditions to interesting facts from the past.

As one of the History teachers put it, "Learning from the past is the reason for the study of history. It provides each student with a challenge to understand himself and his environment."

Science-related subjects were taught by these teachers to help prepare the student body of Western Hills for college. The course of GPS is required to be taken by freshmen in which the students were taught the basic scientific skills. Biology is required to be taken by Sophomores. The Business Education department offers the experience and technique needed in learning the skill of accurate shorthand, swift notetaking, and letter perfect typing. All these skills are necessary to students who plan to continue their education after high school. These are also vital to young people wishing to enter the field of business.

A "work day" world came alive for many of the business classes. Some of the classes offered by the Business Faculty were VOE, ICT, and Distributive Education, which combined school work with actual on-the-job training. Home Economic Cooperative education centered around raising children and cooperating with people. Students were able to obtain jobs at close elementary schools and local business companies.

Physical Education provided basic skills for both male and female students this year. Through the activities offered, the students developed talents in all fields that the department had to offer. The class provided not only games and exercise but the benefits gained by all were many. The students learned the fundamentals of physical education that might help them later on in life. The students learned to appreciate the abilities of the other students, and to develop that high degree of efficiency that everyone strives for.

Ms. Flossie Roberts and Ms. Sue Voegle were once again the coed P.E. instructors. Ms. Kim Wheat, a new addition to the staff, worked with Mr. Charles Greene on the gymnastics teams this year. Mr. Mike Morris was the Outdoor Education and golf instructor. Coach Don Morland worked with boys basketball as well as J.V. football.

Skills Developed in Home Ec.

In Home and Family Living, taught by Ms. Melba Rupe, the students were taught the responsibility of family relationships and they learned to cope with life and family situations. Ms. Rupe also taught Homemaking I and III, in which she taught the art of sewing. In Homemaking II and IV, Ms. Shirley Harrington taught the basics of cooking. While classes were in session, students of Ms. Ruth McCombs, aided in teaching at various elementary schools gaining experience and insight into the world of teaching. The H.E.C.E. students, directed by Ms. Elise Ball, developed interests in skills pertaining to a career in Home Economics.

FINE ARTS

Fine Arts is the presentation of great masterpieces in art, music, and drama. It is the work of brilliant minds and intense dedication through the media of the written or spoken word and the language of music.

Under the direction of the Fine Arts faculty our students have the talent to produce the greatest works of art, thunderous applause and the highest standing ovations. The teachers and instructors desired their students to display their feelings and emotions through their work.

Mr. Robert Loyde directed the "big green band from Cougar land". Ms. Harriet Nix and Mr. Grant Couch taught the beginning and advanced art classes. Ms. Rosemary Rich instructed interested students in the development of talented choir classes.

Library — A Realm of Knowledge

LIBRARY

The librarians were Ms. P. Herring, and Ms. L. Vogt

The library is a necessary and useful component in Western Hill's teaching curriculum. For many types of school research, the library provides students, and faculty with adequate material. It is well equipped with research materials, contemporary and classical books, periodicals, and newspapers. Classes may order and acquire film strips and film projectors through the library. Ms. Peggie Herring, head librarian, and her assistant Ms. Lucy Vogt, preside over the continual task of shelving and checking out books. Advising students and answering countless questions also account for much of the librarians school day.

Ms. Vogt works on overdue notices.

Varsity Cheerleaders ... "The Best"

Varsity Cheerleaders perform stunt at pep rally

Varsity Cheerleaders are perhaps the greatest factor creating team spirit in any school. Western Hill has "the best" — in cheerleaders and in spirit! True Cougar spirit is reflected in our 1980-81 cheerleaders. What more could you want than enthusiasm, dedication, hard work, creative cheers and actions? That's what our Varsity squad put forth all year.

With the guidance of Mrs. Stevens as sponsor, the cheerleaders wholeheartedly fulfilled all their responsibilities in supporting the various sports activities. Sometimes we forget how much time they have to spend in decorating the halls before games, planning the pep rallies, finding sellable products and then selling them to raise money for the pep rallies.

The 1980-81 Varsity Cheerleaders were: Pam Allen, Patty Azuma, Melanie Cates, Amy Gallagher, Julie Mathews, Pam Pribble, Tish Sandoval, and Jimmy Smith

Freshman and J.V. Cheerleaders Encourage Cougar Spirit

True Cougar spirit was reflected in the 1980-81 Freshman and Junior Varsity cheerleaders. They were always there when needed, either to console their team after a loss, or congratulate them after a victory.

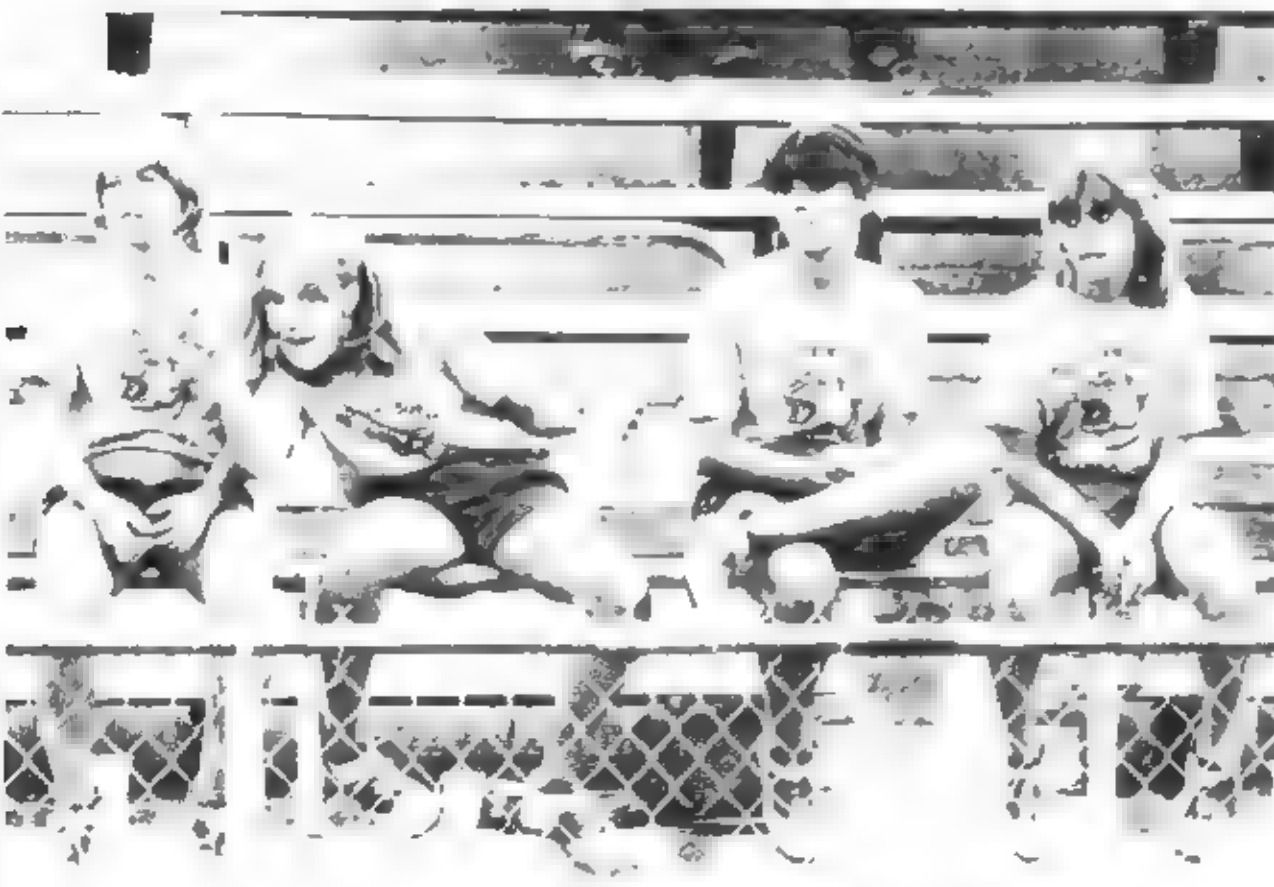

All of the Junior Varsity squad members attended cheerleading camp in the summer. They brought back many new stunts and cheers. After hours of hard work and practice the cheers were perfect and really effective at every pep rally and Cougar game.

The Freshman Cheerleader tryouts were held at the beginning of the school year. Out of the approximately 30 girls who tried out, only four could win. Those chosen by their classmates were: Andrea Lauer, Tiger Timmons, Kim Vaught, and Sharon Cayhill. They proved themselves worthy of election. Their enthusiasm and vigorous encouragement made for a great Freshman cheering section.

Spirit Displayed by Mascots

The 1980-81 Cougar Mascots proved to be a lively supplement to the Western Hills student body spirit. They represented the Cougars well by participation in cheers and clowning around at football games and pep rallies. Imagination and ability were the key factors involved in the mascots success. Their creativity was really outstanding this year.

The four Cougar Mascots were: Stephanie Stevens, Rhonda Petri, Lisa Davis, and Jean Shifflett.

New Director Establishes Stage Band

In the 1980-81 year, a new Stage Band was formed under the direction of Mr. Robert Loyde. After a two year absence of a Stage Band, the slow process of re-establishing the band began. Besides attending Stage Band as a class, members spent many hours practicing after school. Auditions for the performing Stage Band were held in January. The band enacted variations on a theme by performing jazz, rock, ballads, and pop music. The band also played several concerts at school allowing the students a wide field of musical entertainment. The band attended the Sandy Lake Stage Band Competition in April.

In May, the band travelled to St. Louis and participated in National Competition against schools from all over the United States. The band represented W.H.H.S. with much pride and excellence

They also planned a Christmas program for the students of Western Hills, which they hoped would help them to reach more of the Western Hills student body.

Staff members included (left to right): Vernon Lee, photographer; Susan McNeil, Activities Section Head; Brad Hudgens, Organizations Section; Pamela Swearing, Faculty Section Head; William Johnson, photographer; Lisa Britt, Sophomore Section Head; Sherr Boisselier, Junior Class Section Head; Julie Dunn, Freshman Section Head; Ralph Lauer, photographer; Bill Radde, Sports Section; Gary Abshire, Sports Section; Tony Johnson, Sports Section Head; Karen Staton, Organizations Section; Ginger Bradley, Sports Section; Janet Guppy, Bass, Organizations Section Head; Susan Beams, EDITOR-IN-CHIEF; Sherry Cox, Sports Section; Nancy Nea, Organizations Section; Julie Striping, Senior Class Section Head; Jeff Adams, Sports Section; Robyn Porterfield, Activities Section; Sherr Scott, Activities Section, and Paul Aien, Chief Photographer.

The CATAMOUNT CORPORATION, a mega-buck conglomerate that provided a multitude of services for Western Hills High School, declared bankruptcy shortly after completing their 1980-81 edition.

The Corporate staff headed by Editor-in-Chief Susan Beams, cited spiraling production costs, inflation, and increased government controls as reasons for the decline. The firm stated that production costs had risen 35 percent in the last two years alone. "We refused to put out a cut-rate version of the CATAMOUNT, so we went all out on this one," said Beams at a recent press conference.

Photographers William Johnson, Vernon Lee, Paul Aien, and Ralph Lauer take a minute to spruce up their new darkroom at the new CATAMOUNT CORP. headquarters.

Section Heads Paul Allen, Janet Bass, Sue McNeil, Pam Swelling, and Tony Johnson relax at the new CATAMOUNT CORPORATION company "think tank." This crack management group spends much of their day at this location trying to find ways to re-vitalize the company.

Editor-in-Chief Susan Beams and sponsor Eric Mann prepare to enter their new penthouse office complex after a general staff meeting.

The corporation executives and workers spent most of the remainder of the fiscal year re-locating company headquarters from their multi-level facility in the depths of Western Hills High School into much more modest quarters. Company officials refused to divulge the location of the firm's temporary offices in an effort to keep down the public outcry caused by the company's difficulties.

Production of next year's book is still hanging in the financial balance according to a company spokesman who wished to remain anonymous. "Maybe we can have a bake sale," Chairman Eric Mann was quoted as saying as the door closed behind him.

As the 1980 season neared its opening kick-off Western Hills football outlook was clouded by uncertainty. With only sixteen returning starters, the young Cougar football team had their work cut out for them. With many opening positions left to be filled, numerous sophomores and juniors were given the opportunity to display their abilities before discerning eyes of the W.H.H.S. coaching staff.

Led by head coach Gary Swan, the aggressive gridsmen were out to prove that they wouldn't give up without a good fight.

Varsity Hangs Tough

The uncertainty of the coaches and fans had nearly been erased as the Cougars tangled with the gambling Northside Steers. The Cougar offense continually marched down the field and kept the Steer defense baffled with long pass plays and running drives up the middle. But the Steer offense sent the spectators and the clobbering Cougars into pandemonium as they rallied with a touchdown in the last 15 seconds of the game to hand the Coogs their first defeat.

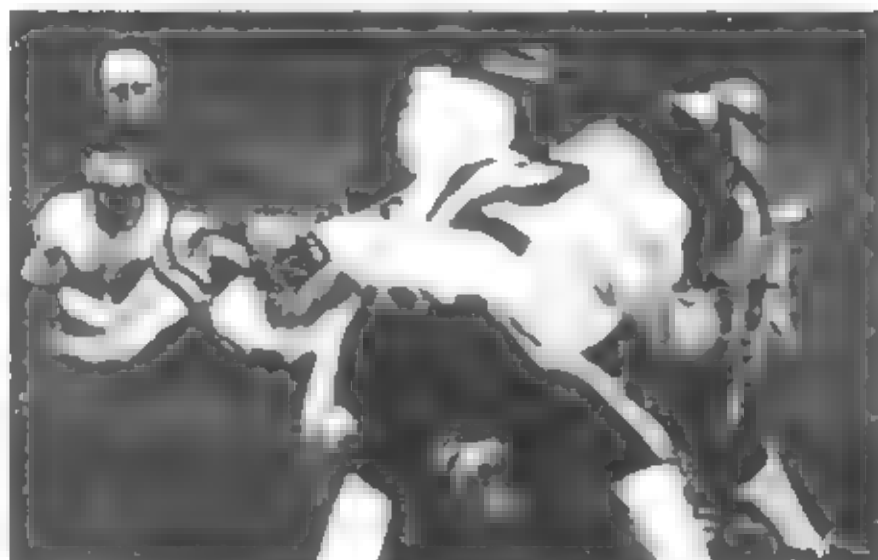

Fumbles and penalties marred the Cougars from many victories, but the team never gave in. The fans never knew what to expect against any team, with the Coogs posing a never ending threat

The 1980-81 JV Football squad accomplished an impressive season under the well-seasoned direction of head coach Don Morland. Games in the first half of the season showed a majority of Cougar victories with Arlington Bowie suffering the wounds of the pawing score 19-17, and Eastern Hills collapsing with 14-7. Arigtn. Hts. was another victim with a 27-6 slaughter.

Team spirit was uplifted with help from new coaches like Coach Miller who showed new approaches and strategy which produced a "ripping mean" staff of juniors and sophomores. Workouts were held sixth period and lasted well into the afternoon. Weightlifting, drills, and an abundance of hard hitting, conditioned the group for the experience of victory.

Teamwork Proves Successful

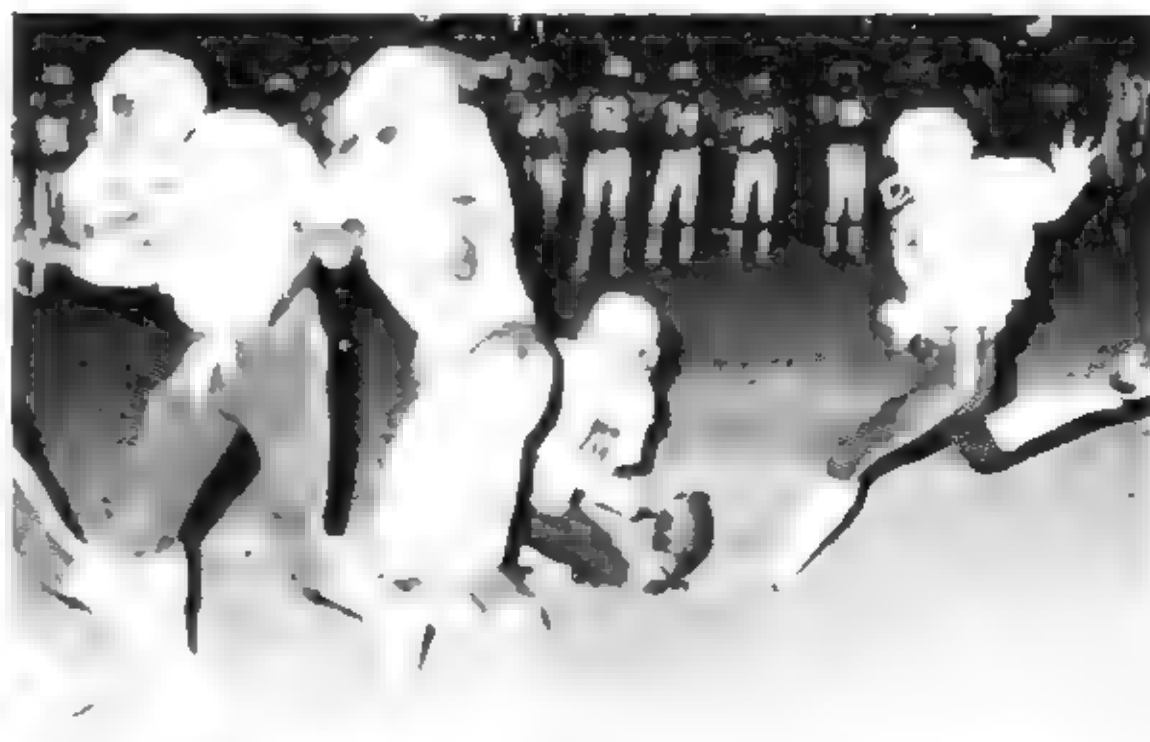

Ron Everett (1) skims a punt past a Wyatt opponent as Shaun Pritchard (81) and John Griffith (82) prepare to block the rush

Devon Davis (56) dives to trip the Wyatt quarterback

The JV also exhibited explosion in their offensive tactics, with a quick backfield and a shrewd line. While Cougar offense mounted scores, the defense built their fortress and suppressed their opponents to low scores throughout the season.

Even with rough academic expectations, the squad kept the grades necessary to play. They competed close together as a unit which can be attributed to their success. Team work and team spirit were intermixed with combat strategy, which produced powerful results in the endzone offensively, and in turnovers defensively

Freshmen Gain Experience

Despite the Cougars 2-6 record, they learned skills and techniques that will help them in future years as Cougars. Passing, blocking, and running drills were worked on in practice to help the young Cougars improve their knowledge of the game. Through these valuable workouts, the Cougars will be a strong contender in future years.

The Freshman football team produced strong running attacks and a fine passing game to produce points against opponents. Coached by Jimmy Torres and Don Compton the team showed ability to produce fine players for the Junior Varsity and Varsity in years to come.

The defense proved effective against opponents passing, running and running attacks and stopped them short of the goal many times. Determination and good execution proved that the Cougars were an excellent team and tough competitor.

The 80-81 Cougar Basketball Squad, led by Head Coach Marvin Levels, drew the attention of many sports fans throughout the year. With the loss of 4 starters, the Cougar Round-Ballers showed the poise and stamina of an experienced crew.

Long hours of training and determination helped set the pace for the young Cougars, as definite competition for district play. Coach Levels drilled into his players quality and skills that helped contribute to the overall team outlook.

J.V. Endures Long Pre-Season

This year's junior varsity basketball team was coached by Jimmy Sanders. Many of the team members were also involved in football, and for this reason, the whole team was not able to practice together until mid-November. Practices were during sixth period, and after school. They consisted of drills, shooting, ball handling, and conditioning.

Coach Sanders main emphasis was on mistakes and turnovers, therefore the team practiced long and hard on ball control.

J.V. Basketball Displays Talent

After an unusually long pre-season, the district schedule started in early January for the J.V. basketball team. The long pre-season gave the team more time to polish their skills.

There were several outstanding players on the team. They included Steve Singleton and J. C. Alexander, both of whom played guard. The season turned out to be very rewarding as the players prepared themselves for next year's varsity team.

Coach Don Morland showed the first year players strategies and tactics which produced hustle and achievement. The squad played smartly which allowed their victories. This also kept their few losses to a small point margin.

Practice was held during sixth period. Training involved running drills, weightlifting, and team strategies.

First round district play for the girl's varsity basketball team began the 10th of December. All teams had gained valuable experience from the past year and they had stiff competition. Earlier, the team had played in scrimmages to test their plays in actual game situations. Also during pre-season play, the team participated in three tournaments at Ennis, Cleburne, and Weatherford. Fourth place was won at Cleburne and Karen Lindsay had the honor of making the all-tournament team.

The varsity team was structured around five returning lettermen. They are junior guards Nancy Neal and Ester Ringer, junior post Karen Lindsay, and forwards senior Joyce Slater and junior Ginger Bradley. Other members of the team are sophomores Sonja Simpson, Patrice Slater, Sonya Williams, and freshman Debra Jones.

Coach Wesson was happy with the attitude and performance of the girls. She believed they had the best season thus far in competitive basketball. The girls chose Karen Lindsay and Ester Ringer as their team captains for this year.

The girl's junior varsity team was relatively young this year. They gained much needed experience in preseason scrimmages and a tournament at Trinity. Coach Wesson had the girls to develop good techniques and taught them to play as a team.

Captains, Cindy Brown and Jana Frey, provided the leadership necessary in keeping good attitudes and high spirits. The junior varsity started their spring training soon after their ten district games were completed. They are looking forward to an excellent season next year.

In a dual meet with L. D. Bell High School, which has one of the highest ranked teams in the state, the squad made a very respectable showing.

Tong Young Wu and Randy Irwin were the all-around gymnast for the team. Each one competed in all six of the competitive events at each meet.

The members of the boys gymnastics team were (L to R) Randy Hennard, Greg Benson, Tong Young Wu, Kurt Benson, and Randy Irwin.

Randy Irwin concentrates on his performance in the floor exercise

I'm glad I was able to meet you this year. You're a pretty good guess, but don't let it go to your head. Be careful this summer, stay out of trouble. Don't do anything I wouldn't. (That restricts you very little.) Have a good summer. Save a few brain cells for next year.

The Boys' Soccer Team impressed and gained a great deal of respect from their opponents during the season. Despite a slow start in pre-season competition, the Cougar kickers snapped back with a victory against O. D. Wyatt.

Under the guidance of Coach Chuck Greene, the squad performed offensive and defensive operations which startled their foes. Other exercises included sharpening coordination, and improving endurance.

Soccer is a sport that involves much physical strength that calls for endless running and kicking. This was achieved as the team worked out sixth period with weightlifting, drills, and running sessions.

The pre-season was extremely long and tedious for the girls Soccer team. With only 13 returning players to build the team around, Coach Doris Light supervised practice during sixth period. Whether practicing on the soccer field or running the track, all helped to build up stamina for the longer and harder games. The job of team captain is rotated between mostly seniors and some juniors. The team has approximately two games a week under the UIL rulings. This was the third season the team played under these rules. During the District games they played as a team.

Racketeers Volley to Victory

This year's tennis team was coached by Sue Voegele and assisted by Bill Warden. Coach Warden was transferred to Dunbar at the first of the year but still made it back to Western Hills on most days to help out with the team.

The squad started practice sixth period and practiced every day. Matches started in January and continued all the way through mid-April when the district tournament started.

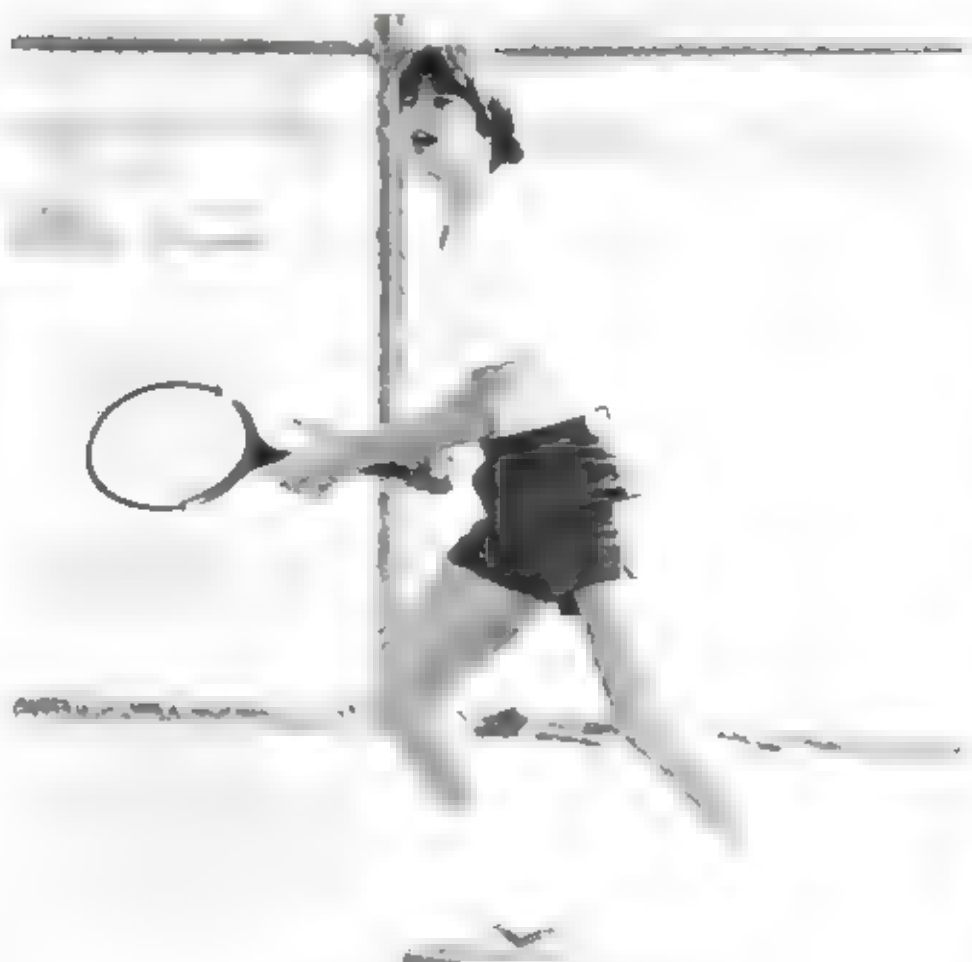

The team was larger this year than it has been in recent years. With only one senior graduating from the team there will be a strong foundation for next year's team.

The girls tennis team was coached by Mrs. Sue Voegelé and practiced sixth period, weather permitting. The year began with few returning varsity players, leaving the team with a season dedicated to rebuilding their skill. They were led by Rebecca Shipe and Beth Timpson. The team participated in many early matches to gain the experience most of the players lacked. The coach emphasized the importance of conditioning and practice drills to prepare for the District meets.

The Cougar swimming team, under the coaching of Ed Lobb, completed one of the most successful seasons it ever had. The team practiced with determination at Texas Wesleyan College from early fall until the end of winter.

The hard work and diligence paid off as fifteen people qualified for regionals in the district meet. At the meet, the boys medley relay team which included Lamar Anderson, Don Harbour, Mark Beavers, and Jay Moore made an impressive showing and brought home a first. Other placers at the meet were Lamar Anderson with a first in the 100 yard backstroke, Jay Moore; second in the 50 yard freestyle, and Lydia Wright a second in the 500 freestyle.

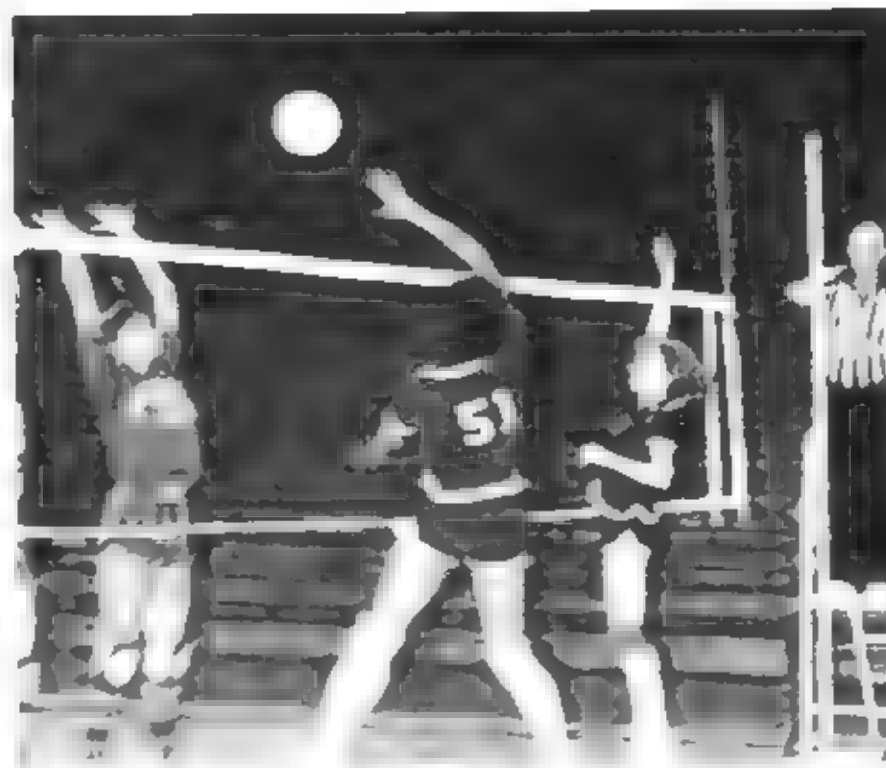

The swimming team members were standing (L to R) — Andy Duncan, Caren Aiello, Laura Tinsley, Michelle Barlow, James Caude, Cynthia Andrade, Drew Scumsk, Missy Larkin, Lamar Anderson, Anne Toddrank, Don Harbour, Glen Michel, Terr Murphy, Bobby Holmes, Mike Lawson, Phil Duncan, kneeling (L to R) — Jody Mathews, Anne Summers, Lydia Wright, Greg Benson, Krsta Law, Derek Lane, Bran DeLeon, Robin Scarborough, Liz Joy, Todd Wayman, Eddie Lewis, Chris Miesch, Jay Moore, Lisa Boyd, and Joe Gotich.

The varsity volleyball team started the year with a new coach, Miss Kim Simmons, and hard working players. The team started off with a pre-season victory over Brewer. During the regular season they defeated Tech, EHHS, and Heights. Their District record was 5-9. The team tied for third place in a tournament on TCJC south campus.

Even though the team lost most of their games they had a lot of spirit. The team blamed most of their problems on excessive injuries and not enough experience. Overall the team played well and together. Coach Kim Simmons was proud of the effort put forth by the varsity team.

This year the junior varsity volleyball team consisted of seventeen players. It was a hard decision for Mrs. Sue Voegele to choose the starting players for each game. Since the team was made up of inexperienced players Coach Voegele taught them the basics of volleyball, then moved on to more complicated plays. The team learned quickly and developed skills that pleased the coach. They were entered in a tournament at TCJC south campus and even though they lost both matches the team played well. They ended the season with lots of enthusiasm and excitement about next year's team.

Golf Team Shoots for Flag

The 1980-81 Cougar golf team has proven their skill at several tournaments this year. Coach Mike Morris was well pleased at the performances turned in by his golfers. Tournaments they competed in were Woodcrest Golf Tournament, Squaw Creek, and Sherrill Park, placing in every one entered.

Last years district medalist Troy Reiser turned in several good scores as did Ira Meachem and Tim Wakeland. In the tournaments they were able to compare their skills with other golfers around the state. Their overall scores came from strong tee-offs, pinpoint accuracy and excellent concentration on shots.

The 1980-81 girls golf team consisted of Meanie Menikos and Laura McMullen.

The 1980-81 Western Hills golf team included, seated — Layne Wheeler, Ron Morton, Mark Eley, Tim Bird, Charles Cundiff, Bill Wheaton, Edwin Horton, Standing — Keith McCianahan, Ira Meachem, Timmy Wakeland, Troy Reiser, George Boll, Ray Fatheree, Xavier Woods.

The gymnastics team consisted of approximately twenty girls. The girls had a hard time getting ready for the 1980-1981 school year because of the change in the compulsory exercise on each event. Each girl was required to use the compulsory exercise on each event in which they competed in. They could also use an optional routine which showed their own personality, skill, and poise. They had the chance to compete in four events: the balance beam, the uneven parallel bars, the vault, and the floor exercises. The team met second period under the supervision of Miss Kimm Wheat. According to the coach, each girl on the team had her own ability which contributed to the team. During the competitive meets the girls competed against their own teammates, but at the same time they tried to collect as many points as possible to help the team defeat their opponent.

Out of approximately thirty one track members, five runners reached their goal. The distance medley team which consisted of Mike Jensen, Herbert Reeves, Gary Abshire, and Damon Nahoolewa placed fourth in the SWC Indoor Finals on Friday February the 20th. Craig Allen also participated in the Indoor meet by running the 60 yard hurdles. The whole team worked out hard and put forth valiant efforts at all the meets.

Cougars Build Potential

Kenneth Pierce runs the hurdles for time during workout

This year's Cougar J V. tracksters were filled with high hopes of winning the district meet. Hard workouts after school helped the Cougars build their potential to be one of the strongest finishers in track this year. Coach Walter Miller was in charge of the track teams and kept a watchful eye over the tracksters with hope that they would be a stronger competitor in next year's meets.

Tracksters Train Hard

During the season, workouts lasted from 3:00 until 5:00 every afternoon. Members worked on coming out of the blocks, handoffs, and the skills that help make a good team. Each trackster worked on his one special event hoping that each meet would find them bringing home the ribbon. The Cougars showed real promise, and will be tough against competitors in future meets.

The freshman track team this year was relatively small. The squad started practice in mid-January and worked out sixth period everyday. Under the leadership of Coach Miller, the team worked on increasing their stamina, speed, and skills in the field events.

This year, the squad gained valuable experience that will be a great benefit in their years to come at Western Hills. Throughout the year they worked with determination and togetherness toward their common goal.

The freshman team members included: Standing (L to R) — Taiford Thompson, David Sherman, Pat Dingler, Todd McCown. Kneeling (L to R) — Todd Lewis, Alan Mantooth, Scott Falk, Eddie Freheif, Scott Bergeson.

This years varsity track team was coached by Mrs. Roberts. She had the team practice during sixth period and after school. The junior varsity, coached by Mrs. Wheat, practiced their events during this time also.

All the girls looked forward to competing in the indoor track meet. It was held in Tarrant County Convention Center. Some of the girls who qualified for the indoor meet were Hope Henry, Pam Carroll, Cheryl Langley, and Ester Ringer whom all ran as a team in the distance medley relay. Pam Carroll qualified in the 60 yd. dash and Julie Gutierrez placed in the high jump.

Mrs. Roberts was very happy with this years team. They worked together and proved to have strong determination. She will miss the graduating seniors but is looking forward to next year.

Cross Country is a sport for runners who can run for at least an hour. The team's average workout was ten miles with speed work on the track periodically. Damon Nahoolewa and Gary Abshire led workouts in order to gain a five man varsity for the District Race. The remaining runners after the spots were Jay Whitfield, Danny Beams, Jeff Bergeson, Donald Bissel, and Mike Harris. All of these runners showed enthusiasm and a desire to be better.

The JV and Freshman runners showed competitive attitudes as well. They were Barry Wendel, Todd Lewis, Alan Mantooth, Gabriel Ramos, and Larry McDonnell.

After the District Meet the team ran another 24-hour relay to follow WH tradition.

Girl's Cross Country Places Second

Ge Lisha Phillips builds up stamina one sunny day after school

Mrs. Roberts helps Cheryl Langley push herself for better times

This year's cross country was relatively small but they won a large amount of places in the district meet. Cheryl Langley won fourth place, followed by Shevon Green who was fifth. Both girls went to the regional track meet. Seventh place was won by Ge Lisha Phillips, and Ester Jackson was eleventh. The over-all team was second in district.

The cross country girls were required to run in all weather conditions and across all types of terrain. Self-discipline training is a skill that all cross country runners must have. It is hard work and demands a lot of time. These girls did an excellent job.

Cougar Diamond Men Swing Into Action

At Hills, Baseball isn't just a sport, it's a regimen. It's the hard work of 20 guys giving it their best shot.

Head Coach Jimmy Torres and hardworking crew compiled of Seniors, Juniors, and Sophomores worked out daily after school to condition themselves for the tough district competition. Each player produced 100% effort and strategy to make the team competable against the other ball-clubs.

The team was well balanced, with a good combination of hitting and pitching. The fine showing made this year, proved that the Cougars will be tough to compete with in future seasons.

Cougars Develop Winning Effort

Coach Compton did a fine job in developing a very challenging team this year. Through the hard practices after school, the Cougars quickened their reflexes, physical endurance, agility, speed, and hand-and-eye coordination. Each player on the J.V. squad gave an all-out effort to blend each of these qualities into one, to prove that they are a tough competitor.

The Freshmen's season began with a roster of about fifteen enthusiastic players. The opening weeks of practice were mainly left up to the team. Lack of coaches did not affect the progress of the squad. They set up batting drills and fielding plays which strengthened their potential competitiveness. Coach Don Morland later took over and led the team to their first victory against Eastern Hills, 13-5.

A Catamount Corporation Special Thanks . . .

As the school year drew to a close, we found ourselves, as usual, owing a great debt of gratitude to many people and businesses for their aid in making our photographic endeavors a success. Without the help of the people and places listed below, production of the 1980-81 Catamount would have been impossible.

1. Autobahn-for letting the Student Council use their snazzy cars to take pictures in
2. Bonnie Brae School for their cooperation with the Student Council Christmas Project page.
3. Mr. Francis Buddin and Mr. Buddy Buddin of Provine Studios-for making our undergraduates look so good.
4. Carter Blood Center-"ouch"-for their help with the blood drive page
5. Colonial Country Club-for allowing the Senior Steering Committee to run rampant in their beautiful surroundings.
6. Mr. Paul Dixon and Mr. David Bartlett, of T & G Studios-for their

excellent Senior pictures and their beautiful work with our Mr. and Ms. WHHS pictures

7. Shady Oaks Country Club-for allowing the Cheerleaders to look so pretty in their establishment
8. Southern Baptist Radio and TV Commission for helping the Student Council to look so business-like in their conference rooms.

LAST BUT NOT LEAST BY ANY MEANS. SPECIAL THANKS TO

1. David Dixon of Taylor Publishing Company-for all his patience, helpful hints, and ability to keep things rolling.
2. Jeff Haessler and Chris Ploetz — for all their overtime hours spent behind the camera and in the dark room
3. Ms. Jo Crawford for letting the entire CATAMOUNT Staff ransack her lake property as we "hit the skids."
4. Mr. Quince Fulton-for being the best principal any school could hope to have. Thank you for being so understanding and supportive

You are a very sweet
 and very good looking
 guy. Stay the way you are
 and the girls will be
 lining up for you.
 You are a very handsome
 guy. You are always
 looking for a girl.

To a good friend that
I haven't know long but
long enough to have some
great times together and I'm
sure there will be many
more. Take it easy and
don't fry that brain!

Tracy

Darren:

Let's see, I've known
you since freshman year.
Every minute has been great.
I can't believe you, you
don't think you're spoiled. Well
I do, you are. I wish I was like
you in many ways but I'm glad
I'm not in other ways. I wish I
had your kind of attitude toward life
and everything else that is important.
Can you remember the good times
we've had together? Well, I sure
can, the time at the dance, going
out to eat and going to other places
that weren't quite right
anymore. When I first
met you, I thought you
were one of the greatest
dancers in W.H. and I still
think that. I think you
are neat in many ways.
You and your family have a great
trip to the Hawaii Islands. OK.
If ever you are not busy, please call
and let's plan something to do.
I still have that little love
for you in my little heart.
And I think I always will.
Remember me
to the Magi family.

Daren, I really just

got to know you
But you're a really
sweet & good-looking
guy. I hope you get what
you want out of life
to come. Have a good
Summer and be
careful. Your friend always
